Foreman - Bug #1000

Out of sync shows hosts with last report equal puppet_interval

06/21/2011 06:08 AM - Kai Stian Olstad

Pull request:			

Description

If puppet_interval is 30 minutes, out of sync report will show hosts with 30 minutes since last report because is uses 'last_report < "30 minutes ago" and status.enabled'
Since the hosts run Puppet every 30 minutes and it takes some time to run through the recipe Foreman should not show them in the report.

Associated revisions

Revision d5ffa102 - 07/11/2011 03:30 AM - Kai Stian Olstad

Fixes #1000 Out of sync shows hosts with last report equal puppet_interval

History

#1 - 06/28/2011 10:30 AM - Kai Stian Olstad

- File 0001-Fixes-1000-Out-of-sync-shows-hosts-with-last-report-.patch added

Made a patch that adds 5 minutes to the out_of_sync report.
