Pull request: https://github.com/Katello/katello/pull/5164	
Description Due to the migration of puppet and tftp interaction into the foreman-proxy service, there are conflicting definitions in the module. Remove manifests/puppetca.pp, manifests/puppetrun.pp and manifests/tftp.pp to force use of the same files under manifests/proxy/. Git patch attached.	

Associated revisions

Revision 11a84077 - 07/03/2011 02:08 AM - Gregory Etling

fixes #1011 - removed deprecated puppet/tfp classes
