Foreman - Bug #10134

Standard error and output is ignored in passenger deployment

04/14/2015 09:22 AM - Lukas Zapletal

Status:	New		
Priority:	Normal

Category:	Logging		
Target version:			
Difficulty:		**Fixed in Releases:**	
Triaged:		**Found in Releases:**	
Bugzilla link:		**Red Hat JIRA:**	
Pull request:	https://github.com/theforeman/foreman/pull/2304		

Description

We simply throw all messages away. We should redirect them into Rails log instead.

To see the contents, create the following file:

/usr/share/foreman/config/initializers/passenger_hack.rb

with the following content:

```
std_out = File.new("/tmp/stdout.log","a")
std_err = File.new("/tmp/stderr.log","a")
$stdout.reopen(std_out)
$stderr.reopen(std_err)
```
