

Foreman - Bug #1021

Foreman no longer gathers reports after upgrading to puppet 2.71 on puppetmaster/clients

07/01/2011 04:50 PM - Jon Auman

Duh... I found the solution:

```
cp $RUBY_HOME/lib/ruby/gems/1.8/gems/puppet-2.6.8/lib/puppet/reports/foreman.rb  
$RUBY_HOME/lib/ruby/gems/1.8/gems/puppet-2.7.1/lib/puppet/reports/foreman.rb
```

Reports work now.
