Related to Foreman - Bug #10392: Foreman with Puppet: Puppet Classes can't be...	Resolved 05/06/2015

History

#1 - 05/06/2015 10:08 AM - Dominic Cleal

- Related to Bug #10392: Foreman with Puppet: Puppet Classes can't be assigned to Config Groups added

#2 - 05/06/2015 10:09 AM - Dominic Cleal

- Project changed from Website to Foreman

- Status changed from New to Need more information

As per my comment on [#10392](#), what isn't working isn't precisely clear from the bug report, please expand on it.

#3 - 05/07/2015 04:58 AM - Stefan Hölzle

- File *host_edit_puppet_classes.png* added

If I try to expand one of the puppet class items, the console log says: Uncaught ReferenceError: expandClassList is not defined

Screenshot is attached.

#4 - 05/07/2015 09:34 AM - Dominic Cleal

- Status changed from Need more information to Resolved

As per the other ticket.
