| <b>Description</b>                                    |                           |
| at the moment its:                                    |                           |
| /subnets/freeip?subnet_id=<>                          |                           |
| it should be  |                           |
| /subnets/<id>/freeip                                  |                           |
| we should also add json output to be used via the api |                           |

#### History

**#1 - 09/04/2011 03:58 AM - Ohad Levy**

- Target version deleted (0.4)

**#2 - 11/15/2012 08:34 AM - Joseph Magen**

freeip in an ajax request, so it's not called directly.

**#3 - 11/15/2012 08:36 AM - Joseph Magen**

- Status changed from New to Need more information

should this bug be closed?

**#4 - 11/15/2012 09:51 AM - Ohad Levy**

- Status changed from Need more information to Rejected

**#5 - 11/15/2012 09:51 AM - Ohad Levy**

- Target version set to Bug scrub
