Foreman - Bug #11053

Ethernet interfaces not checked for uniqueness and foreman would not allow to delete.

07/08/2015 11:47 AM - Neeraj Harikrishnan

Status:	Duplicate		
Priority:	Low

Pull request:			

Description

The interface tab somehow allowed two interfaces with same name (eth0) and now would not allow to delete either one.
I get a error "Some of the interfaces are invalid. Please check the table below " when I try to delete one

Foreman Version - 1.8

Please check Screenshot attached.
