Description

This is hopefully the last missing bit in indirect communication feature.

Built is just an unattended action, why wouldn't it work?

https://github.com/theforeman/smart-proxy/blob/develop/modules/templates/templates_api.rb#L17

Pretty sure we've tested provisioning hosts with firewalls rules up to the Foreman instance.

If it is broken, that's pretty critical and this should get cloned to bugzilla, as well.

#4 - 08/27/2015 07:37 AM - Dominic Cleal

- Category set to Templates

- Status changed from New to Need more information

#5 - 08/28/2015 10:18 AM - Lukas Zapletal

- Status changed from Need more information to Rejected

Not a bug, this was caused by token_duration = 0.
