Category:	DHCP		
Target version:	1.10.0		
Difficulty:	trivial	**Fixed in Releases:**	
Triaged:		**Found in Releases:**	Nightly
Bugzilla link:		**Red Hat JIRA:**	
Pull request:	https://github.com/theforeman/smart-proxy/pull/318		

Description

On windows, smart-proxy fails to start with more recent ruby versions >=2.0.0 because of the win32/open3 gem requirement

Some people (at least me) have puppet installed on the same host as smart proxy and will need to install ruby 1.9 for smart-proxy only.
