# Foreman - Bug #1189

## Example rdoc_prepare_script fails on RHEL 5

09/28/2011 08:44 AM - Paul Kelly

| **Pull request:** | | | |

**Description**

The example script relies on a feature of tar that is not available on RHEL5

There is also an issue with the verbosity of the rake task and sometimes the file-trees need merging rather than moving
