

## Foreman - Feature #123

### Sort list of assigned classes

12/09/2009 09:07 PM - Frank Sweetser

<b>Status:</b> Closed	
<b>Priority:</b> Low

<b>Category:</b> Web Interface	
<b>Target version:</b> 0.1-5	
<b>Difficulty:</b>	<b>Fixed in Releases:</b>
<b>Triaged:</b>	<b>Found in Releases:</b>
<b>Bugzilla link:</b>	<b>Red Hat JIRA:</b>
<b>Pull request:</b>	
<b>Description</b>	
It would be great if, when creating or editing a host, the list of Puppetclasses assigned to that host were listed in alphabetically sorted order, rather than the order in which they were added to the host.

### History

#### #1 - 12/10/2009 07:46 AM - Ohad Levy

we are planning to redo the create/edit page (and to phase out active scaffold where it make sense).

patches are welcomed ;)

#### #2 - 02/09/2010 11:05 AM - Ohad Levy

- Target version set to 0.1-4

#### #3 - 03/01/2010 05:16 PM - Marcello de Sousa

May I suggest adding "columns" to the class list. On the columns, next to the "class name" you could list "module" and "environment" where the class belongs to. You could then sort clicking on the specified column.

yep, thats the plan

#### #5 - 03/08/2010 07:06 AM - Ohad Levy

- Target version changed from 0.1-4 to 0.1-5

This would be easy once we get rid of ActiveScaffold, which is planned for 0.1-5

#### #6 - 04/03/2010 03:37 PM - Ohad Levy

- Status changed from New to Closed
