

Foreman - Bug #1232

unable to assign OS default provisioning templates

10/20/2011 12:57 AM - Ohad Levy

Status: Closed	
Priority: Normal	
Assignee: Ohad Levy	
Category: Web Interface	
Target version: 0.4	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description	
when choosing an OS provisioning template type, the list of templates is not shown.	
workaround for now, click on submit, while you will get a validation error, you could now select the template.
