Foreman - Bug #12609

Boolean parameter overrides are not displayed correctly on host form

11/26/2015 03:22 AM - Tomer Brisker

Status:	Closed		
Priority:	Normal		
Assignee:	Tomer Brisker

Target version:	1.11.0		
Difficulty:		**Fixed in Releases:**	
Triaged:		**Found in Releases:**	Nightly
Bugzilla link:		**Red Hat JIRA:**	
Pull request:	https://github.com/theforeman/foreman/pull/2935		

Description
A boolean parameter that has a default value of true and is overridden for a host with a value of false will still display the default value on the host edit form. The correct value will be shown on the YAML output.

Revision ea26193a - 11/30/2015 04:06 PM - Tomer Brisker

Fixes #12609 - correctly display boolean parameters on host edit form

Booleans were not displayed correctly in certain cases due to the fact
that `false.present?  false` and `lookup_value.value ||
inherited_value true` in case one of them is true.
