Foreman - Bug #12631

pie chart sections are no longer clickable

11/30/2015 06:28 AM - Ohad Levy

Description

when viewing a pie chart, for example under facts, in the past, when clicking on a item (in the table of items not on the chart itself) it would change the pie (e.g. toggle it on/off).

output in the browser console is:

```
jquery.flot.js?body=1:670 Uncaught TypeError: Cannot read property 'replace' of undefined
```
