

Foreman - Bug #12648

Checkbox "Preallocate disk" doesn't get saved for a Compute Profile

12/01/2015 01:08 PM - Bryan Kearney

Status: Duplicate	
Priority: Normal	
Assignee:	
Category: Web Interface	
Target version:	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases:
Bugzilla link: 1286033	Red Hat JIRA:
Pull request:	
Description	
Cloned from https://bugzilla.redhat.com/show_bug.cgi?id=1286033	
Description of problem: in Web UI go to Infrastructure -> "Compute Profile" -> Select a RHEV Compute resource. In the section "Volumes" check the box for "Preallocate Disk" and click "Submit". If you re-edit this profile, checkbox is unchecked again.	
Version-Release number of selected component (if applicable): Satellite 6.1.4	
How reproducible: always	
Steps to Reproduce: 1. Go to Infrastructure -> Compute Resources 2. Add a RHEV-M Compute resource 3. Go to Infrastructure -> Compute Profile 4. Select a Profile 5. Select the RHEV-M Compute resource 6. Add a Volume and Check "Preallocate Disk" 7. Save the profile 8. Edit the profile again	
Actual results: The Checkbox "Preallocate Disk" is again unchecked	
Expected results: The checkbox should remain checked.	
Additional info: There is a similiar foreman-bug upstream: http://projects.theforeman.org/issues/9932
