

Foreman - Bug #12659

Value cannot be overridden by unpressing the "inherit" button

12/02/2015 04:26 AM - Shimon Shtein

Status:	Closed	Fixed in Releases: Found in Releases: Red Hat JIRA:
Priority:	Normal	
Assignee:	Shimon Shtein	
Category:	Host creation	
Target version:	1.10.0	
Difficulty:		
Triaged:		
Bugzilla link:		
Pull request:	https://github.com/foreman/foreman/pull/2951	
Description Values that have data-explicit attribute set to false, are filtered out from the requests. The problem here is that the attribute is not set to true, even if the user presses the button. Look at application.js #disableButtonToggle, it uses #.data to set the value. It's the wrong method, should be changed to #.attr
