<b>Description</b>	
Hello Guys,	
It looks like the enc script generated from this template has a problem using SSL when talking to Foreman. It was throwing an error of 'Net::HTTPBadResponse: wrong status line:'. A little googling suggested that use_ssl was not being set. I have included a patch that fixes this problem. I am not a ruby dude so the patch is not all that pretty!	

#### History

##### #1 - 11/01/2011 10:42 AM - Ohad Levy

- Project changed from Foreman to Installer
- Category deleted (External Nodes)

##### #2 - 02/22/2012 06:05 PM - Anonymous

With the latest changes (abc48676c75bf1694d9b05c4f0b8bad995b34e81 - ec7c004c215dfeea6b46d25a9b65f376c23691ce) this bug should be fixed.

##### #3 - 06/17/2012 06:58 AM - Ohad Levy

- Status changed from New to Closed
