<b>Description</b>	
<p>With patternfly border-radius are supposed to be 0px. However some of them are not, even if we override it, because the select2 stylesheet coming from the gem has set '!important' to some CSS rules.</p> <p>Before: <a href="http://i.imgur.com/YSVys3l.png">http://i.imgur.com/YSVys3l.png</a> How it should look: <a href="http://i.imgur.com/Kd6FM64.png">http://i.imgur.com/Kd6FM64.png</a></p>
