What version of activerecord do you have installed? The gem(s) for 3.1.x break storeconfigs under puppet and may have other issues as well.

#2 - 01/29/2012 08:53 AM - Ohad Levy

can you reproduce it? I was unable to...

- *Status changed from New to Need more information*

#4 - 07/04/2012 07:09 AM - Benjamin Papillon

Hello,

Can you still reproduce the problem?

Can you provide the informations previous people asked?

#5 - 11/15/2012 10:03 AM - Benjamin Papillon

- *Status changed from Need more information to Closed*

- *Target version set to Bug scrub*

Hello,

Due to lack of update we are closing this bug.

Please, reopen it if you still have the problem with newer builds.
