Foreman - Feature #13788

As a plugin developer, I want to skip AccessPermissionsTest for certain routes

Pull request:	https://github.com/theforeman/foreman/pull/3207		

Description

AccessPermissionsTest runs for all routes in application as part of jenkins:unit task. But it may not have sense to for a route to have a permission and as a plugin developer, I would like to have an option to exclude the route from tests.

History

#1 - 02/18/2016 06:02 AM - Dominic Cleal

- Category set to Tests

Use the existing skip tests plugin feature?

#2 - 02/18/2016 06:03 AM - The Foreman Bot

- Status changed from New to Ready For Testing

- Pull request https://github.com/theforeman/foreman/pull/3207 added

#3 - 02/18/2016 07:41 AM - Ondřej Pražák

~~In this particular case, skip tests feature skips testing of all the routes.~~
I found out I can work around it with skipping the tests after all, so this won't be needed.
