

## Foreman - Bug #14346

### New Template feature does not work with firefox 45.0

03/24/2016 09:49 AM - Rajesh Mallah

<b>Status:</b> Resolved	
<b>Priority:</b> Normal	
<b>Assignee:</b>	
<b>Category:</b> Templates	
<b>Target version:</b>	
<b>Difficulty:</b>	<b>Fixed in Releases:</b>
<b>Triaged:</b> No	<b>Found in Releases:</b> 1.10.2
<b>Bugzilla link:</b> 1318732	<b>Red Hat JIRA:</b>
<b>Pull request:</b>	
<b>Description</b>	
Replication Steps:	
Go to "Hosts" -> "Provisioning Templates" -> "New Template"	
1) Name: testtemplate In template editor write " Test code" in Audit Comment : "testing"	
2) Click on tab "Type" click on "snippet"	
3) click "Submit"	
Current Behaviour: UI system responds with text "can't be blank"	
Desired Behaviour: A new template should be created.	
Notes:	
(1) The desired behaviour is achievable is browser google-chrome is used .	
(2) <tbrisker> on #theforeman comments below:	
"rmallah: i can confirm this occurs only in FF when creating a template using the two-pane layout. if using the full screen (open the new link in a new tab) it works fine, also for chrome."
