History

#1 - 03/25/2016 04:05 AM - Dominic Cleal

- Category set to Reporting
- Status changed from New to Need more information

Do you have the fix from [#13883](#) for the same issue?

Please provide the output of host.last_report_object and your current time to compare to the reported_at field in the configuration status object.

#2 - 03/28/2016 09:21 AM - Brad Buckingham

It does not appear that the build in question has the fix referenced by <http://projects.theforeman.org/issues/13883> .

That build has:

```
12 has_one :last_report_object, :foreign_key => :host_id, :order => "#{Report.table_name}.id DESC", :class_name => 'ConfigReport'
```

#3 - 03/28/2016 09:27 AM - Stephen Benjamin

- *Is duplicate of Refactor #13883: Host::Managed.last_report_object association uses deprecated :order parameter added*

#4 - 03/28/2016 09:27 AM - Stephen Benjamin

- *Status changed from Need more information to Duplicate*

Thanks, that fixed it!

#5 - 03/28/2016 09:28 AM - Stephen Benjamin

- *Bugzilla link deleted (1321104)*
