

Foreman - Bug #14471

Unable to save a provisioning template after editing

04/04/2016 10:51 PM - Chris Lord

Status: Duplicate	
Priority: Normal	
Assignee:	
Category:	
Target version:	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description	
When attempting to save a provisioning template after changing some values, the input area is blanked out and I get an error stating that I can not save a blank template. See attached screenshots
