

Foreman - Feature #14480

Host groups are sorted alphabetically, not by tree order

Description

I went to edit my host groups in Foreman 1.9.3, and nearly missed the right one because it wasn't sorted with its subgroups:

Academics
MVB 2.11 lab
MVB 2.11 lab no VM
MVB 2.11 lab/Row 1
MVB 2.11 lab/Row 2
...

Can these be sorted depth-first where used, such as on the Host Groups page, editing a host, etc., please?

Academics
MVB 2.11 lab
MVB 2.11 lab/Row 1
MVB 2.11 lab/Row 2
...
MVB 2.11 lab no VM
