Description	
<pre>DEPRECATION WARNING on line 30 of /home/foreman/git/foreman/app/assets/stylesheets/gridster.scss: #{ } interpolation near operators will be simplified in a future version of Sass. To preserve the current behavior, use quotes: unquote("#{percentage(\$i / 12)} - #{\$col-margin-fallback}") You can use the sass-convert command to automatically fix most cases.</pre>
