Foreman - Bug #14529

Disabled buttons in drop down menu do not render as disabled

04/07/2016 09:38 AM - Lukas Zapletal

Status:	Rejected

Pull request:	https://github.com/theforeman/foreman/pull/3403		

Description

It's because twitter only accepts "disabled" class on <li> items and we set it on <a> tags. We could refactor our select_action_button code but since tags are self-contained in Rails and we pass array of elements already htmlized, it's easier to do this via CSS:

```
.dropdown-menu > li > a.disabled {
  color:#aaa !important;
}
```
