

Smart Proxy - Bug #1547

Stack Trace with log level Error

03/23/2012 07:25 AM - Florian Koch

Status: Closed	
Priority: Normal	
Assignee: Florian Koch	
Category:	
Target version: 1.0	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description	
if the log level ist set to 'Error' (Error is listes as valid value in the example config) instead of ERROR the smart-proxy:8443/dhcp page is broken and you get a stack Trace	
I think the best way is to convert the log level always to upcase strings	
Patch is send to foreman-devel
