<b>Pull request:</b> <a href="https://github.com/theforeman/foreman/pull/3627">https://github.com/theforeman/foreman/pull/3627</a>	
<b>Description</b>	
After some changes on the DNS orchestration, we removed `dns_ptr_record` in favor of `dns_record(:ptr4)`. However, `host.to_ip_address` still calls the old API. We should change that method to use the new API, otherwise it doesn't work. Furthermore, DHCP orchestration relies on `to_ip_address` so DHCP orchestration is broken if that method doesn't work.

Fixes #15601 - to\_ip\_address cannot retrieve PTR4 record

After some changes on the DNS orchestration, we removed `dns\_ptr\_record` in favor of `dns\_record(:ptr4)`. However, `host.to\_ip\_address` still calls the old API. We should change that method to use the new API, otherwise it doesn't work. Furthermore, DHCP orchestration relies on `to\_ip\_address` so DHCP orchestration is broken if that method doesn't work.
