Pull request:	https://github.com/theforeman/foreman/pull/3641		

Description

The PowerManager::Virt class uses a deprecated timeout method, causing warnings on Ruby 2.3:

/home/dcleal/code/foreman/foreman/app/services/power_manager/virt.rb:6:in `initialize': Object#timeout is deprecated, use Timeout.timeout instead.

(seen from test/unit/power_manager_test.rb)
