

Foreman - Bug #16786

Don't call #to_sentence on model associations

10/04/2016 08:09 AM - Dominic Cleal

Status: Closed	
Priority: Normal	
Assignee: Dominic Cleal	
Category: Rails	
Target version: 1.14.0	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request: https://github.com/foreman/foreman/pull/3912	
Description	
<p>Under Rails 5, calling #to_sentence on an association (such as SmartProxy.first.features.to_sentence) no longer works - it's only implemented on Array. It causes:</p>	
<pre>AboutControllerTest#test_index: ActionView::Template::Error: undefined method `to_sentence' for #<Feature::ActiveRecord_Associations_CollectionProxy:0x00000011e105f8>; app/views/about/index.html.erb:35:in `block in app_views_about_index_html_erb_1374804635064850089_72097840' app/views/about/index.html.erb:32:in `_app_views_about_index_html_erb__1374804635064850089_72097840'</pre>	
<p>In a few views .to_sentence is used on an association when it should first call .pluck to retrieve a specific column or call .to_s on the models, before converting to a sentence.</p>
