Description More distros are moving to ruby 1.9, we should support it. The proxy currently fails in various ways. Patch incoming ;)	

History

#1 - 06/22/2012 11:04 PM - Brian Gupta

- Project changed from Foreman to Smart Proxy

#2 - 07/05/2012 04:39 AM - Ohad Levy

can we close it?

#3 - 07/05/2012 05:02 AM - Greg Sutcliffe

- Status changed from New to Closed

- % Done changed from 0 to 100
