#### Description

Description of problem:

When you have a RHEV as compute resource and creating new host in the "Virtual Machine" when you select to add Network Interface it's also required to enter "Name". Same is valid for Volumes -> Size. These fields should be marked as required (with asterisk)

#### History

##### #1 - 11/04/2016 12:00 PM - Ivan Necas

- Subject changed from *Required fields are not marked as required when adding new host with ovirt compute resource* to *Required fields are not marked as required when adding new host with ovirt compute resource*

- Category set to *Compute resources - oVirt*

- Target version set to *113*

- Difficulty set to *trivial*

##### #2 - 11/22/2016 05:44 AM - Amit Karsale

- Assignee set to *Amit Karsale*

- Target version changed from *113* to *1.15.1*

##### #3 - 12/07/2016 02:45 PM - Anurag Patel

- Target version changed from *1.15.1* to *1.15.4*

##### #4 - 01/09/2017 10:51 AM - Anurag Patel

- Target version changed from *1.15.4* to *158*

##### #5 - 12/01/2019 01:10 PM - Shira Maximov

- Status changed from *New* to *Closed*

- Triaged set to *No*

The issue is not relevant anymore. closing it.
