Pull request:					
Description					
When adding a new VMware compute resource if you click the "Load Datacenters" button with incorrect/invalid data in any of the other required fields the error message hides/removes the "Load Datacenters" button and you can't get it back.

History

#1 - 12/19/2016 03:25 AM - Dominic Cleal

- Is duplicate of Bug #16092: Unable to reload VMware datacenters when wrong credentials are passed for the first time added

#2 - 12/19/2016 03:26 AM - Dominic Cleal

- Status changed from New to Duplicate

Thanks for the report. I think this has been fixed in 1.14.0-RC1 via [#16092](#).
