Description

Hi Ohad,

I have some vm's mangaged using hypervisior/libvirt on foreman0.42 ..
how can I enable novnc console for already created vms ?

Hello,

Did you try the workaround proposed by Ohad on #1666? Does it work for you? Do you need more details?

Nice!

I'm closing the bug report as a solution has been found. The main feature request #1666 is kept open :)

Thanks for the update!
