Foreman - Bug #1804

Class filter in host page does not show inherited class from nested hostgroup

08/02/2012 04:48 AM - Romain Vrignaud

Status:	Closed

Pull request:			

Description

If I query class = X, I only get hosts which get that class from their hostgroup or with manual add.
I don't have hosts which get that class by nested hostgroup
