Foreman - Bug #18259

Allow bulk assignment of locs/orgs on smart proxies and puppet environments

01/26/2017 10:16 AM - Daniel Lobato Garcia

Description

I have to use a script that calls the API if I need to change the location/organization of multiple proxies or Puppet environments. This should be available through the UI as it's a regular operation that shouldn't require writing a script.
