#### Associated revisions

##### Revision [cdd8bb6f](#) - 05/06/2010 02:47 PM - Paul Kelly

Fixes #183 - Adds searchbar facility to hosts

Qualified the fact\_selected partial  
Added a reset button  
Added popup help  
Beautification and grooming

#### History

##### #1 - 03/20/2010 10:49 AM - Paul Kelly

- Status changed from New to Ready For Testing

Fixed on feature/183 on my github, forked from upstream/NO\_AS

There is now single searchbar that is always present. It contains EITHER a search constructor, (based on Ohad's search popup,) or a tabbed list of saved searches.

The underlying logic can be simply extended to other controllers if required.  
Maybe a CSS guru could make it more attractive but it is not bad as it stands.

##### #2 - 04/28/2010 10:21 AM - Ohad Levy

can you please rebase again against develop?

##### #3 - 04/28/2010 10:49 AM - Ohad Levy

- Target version set to 0.1-5

##### #4 - 04/30/2010 10:12 AM - Paul Kelly

Resynced with develop and made to look much better  
No held within the minilist rather than the header

##### #5 - 05/05/2010 02:04 PM - Paul Kelly

Rebased against develop and ensured that all tests pass

##### #6 - 05/06/2010 02:51 PM - Paul Kelly

- % Done changed from 0 to 100

Applied in changeset [cdd8bb6f9dedcfc2eccd882ad79c5ac637c6bcf5](#).
