#### History

##### #1 - 03/29/2017 05:26 AM - Anonymous

- Related to Bug #3995: pending certificates don't get deleted with puppet 3.x added

##### #2 - 03/29/2017 09:36 AM - Anonymous

Puppet CA api expose only a subset of features we currently rely on in our api. Some of the things that are missing are listing of certificates, signing of certificates, managing auto-signed certificate list.

##### #3 - 03/29/2017 07:13 PM - Anonymous

[https://docs.puppet.com/puppet/latest/http\\_api/http\\_certificate\\_status.html#save](https://docs.puppet.com/puppet/latest/http_api/http_certificate_status.html#save) describes the signing, but in general, there are some things definitely missing.

##### #4 - 11/30/2017 09:40 AM - Tomer Brisker

- Category changed from Puppet to PuppetCA

##### #5 - 06/06/2019 02:28 PM - Ewoud Kohl van Wijngaarden

- Is duplicate of Feature #25065: PuppetCA smart proxy - Puppet 6 integration. added

##### #6 - 06/06/2019 02:28 PM - Ewoud Kohl van Wijngaarden

- Status changed from New to Duplicate

[#25065](#) implemented this.
