Description		

History

#1 - 04/20/2017 08:40 AM - Lukas Zapletal

- Priority changed from Normal to Low

Thanks, it is mainly for backward compatibility. Foreman users are used to create new hosts without any flag to boot via PXELinux (BIOS). This was not implemented.

#2 - 06/15/2017 09:48 AM - Swapnil Abnave

- Target version changed from 177 to 1.17.0-RC1

#3 - 09/13/2017 01:58 AM - Swapnil Abnave

- Target version changed from 1.17.0-RC1 to 1.15.6

#4 - 10/25/2017 09:30 AM - Swapnil Abnave

- Target version changed from 1.15.6 to 230
