Pull request:	
Description Cloned from https://bugzilla.redhat.com/show_bug.cgi?id=1447342 At hosts -> all hosts, the menu items for select action should be alphaetized so they are easier to read. Version-Release number of selected component (if applicable): all How reproducible: 100% Steps to Reproduce: 1. Go to http://satellite.example.com/hosts 2. Select a system's checkbox 3. Click the Select Action pulldown menu Actual results: The items are not in alphabetical order: <ul style="list-style-type: none">• Change Group• Build Hosts• Change Environment• Edit Parameters• Disable Notifications• Enable Notifications• Disassociate hosts• .. Expected results: The menu items should be in order
