

## Foreman - Bug #19516

### Dashboard "Hosts that had pending changes" doesn't match reports

05/10/2017 04:45 PM - Josh Pavel

<b>Status:</b> New

<b>Pull request:</b>	
<b>Description</b> Our dashboard reports 33 hosts with pending changes, but when you click that link itself (search=status.pending+%3E+0+and+status.enabled+%3D+true), it displays a list of 327 servers.  Also, shouldn't the text be "Hosts that have" or "Hosts in pending state" instead of past tense?
