Description

the error and workaround can be found here: https://gist.github.com/johnpmitsch/ee9c66fe939d038037d88245faa93ac8

I think this has to do with an update to the npm pacakge in EPEL, not using the npm rpm seems to work.

- Status changed from New to Rejected

Please file a bug against the nodejs SRPM in EPEL then, not Foreman.
