Description

Reported on #theforeman, report parsing isn't working on Fedora 17, with Puppet 2.7.19 and stock ruby 1.9.3p286.

report: http://pastebin.ca/2255566

The test added in e81bf057 based on Puppet version probably isn't right - the choice of whether instance_variables is a symbol or string should be based on ruby version instead.

- Assignee changed from Dominic Cleal to Greg Sutcliffe

I'm betting this is the instance vars symbol vs. string difference.

#2 - 12/09/2012 05:18 AM - Greg Sutcliffe

- Status changed from New to Closed

- % Done changed from 0 to 100

Applied in changeset 3cb23101a4fb10e3dd6720ec75274a3b4f1ff71d.
