

Foreman - Bug #1979

Updating puppet:import:puppet_classes for parameterized classes

11/27/2012 05:37 AM - David Schmitt

Status: Closed	
Priority: Normal	
Assignee: Ohad Levy	
Category: Importers	
Target version: 1.1	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description	
Hi,	
please apply this patch to get the rake task "puppet:import:puppet_classes" working again:	
<pre>--- foreman/lib/tasks/puppet.rake 2012-11-27 11:14:09.000000000 +0100 +++ /usr/share/foreman/lib/tasks/puppet.rake 2012-11-27 11:24:42.000000000 +0100 @@ -77,7 +77,8 @@ # the on-disk puppet installation begin puts "Evaluating possible changes to your installation" unless args.batch - changes = Environment.importClasses proxy.id + importer = PuppetClassImporter.new({ :url => proxy.url }) + changes = importer.changes rescue => e if args.batch Rails.logger.error "Failed to refresh puppet classes: #{e}" @@ -98,7 +99,7 @@ puts "Scheduled changes to your environment" puts "Create/update environments" for env, classes in changes["new"] - print "%-15s: %s\n" % [env, classes.to_sentence] + print "%-15s: %s\n" % [env, classes.inspect] end puts "Delete environments" for env, classes in changes["obsolete"] @@ -118,9 +119,9 @@ errors = "" # Apply the filtered changes to the database begin - changed = { :new => changes["new"], :obsolete => changes["obsolete"] } - [:new, :obsolete].each { kind changed[kind].each_key { k changes[kind.to_s][k] = ch anges[kind.to_s][k].inspect } } - errors = Environment.obsolete_and_new(changed) + changed = { 'new' => changes["new"], 'obsolete' => changes["obsolete"] } + ['new', 'obsolete'].each { kind changed[kind].each_key { k changes[kind.to_s][k] = changes[kind.to_s][k].to_json } } + errors = PuppetClassImporter.new.obsolete_and_new(changed) rescue => e errors = e.message + "\n" + e.backtrace.join("\n") end</pre>

Revision eefbf33f - 12/09/2012 04:27 AM - Daniel Lobato Garcia

fixes #1979 Updating puppet:import:puppet_classes for parameterized classes

Puppet import_classes task uses PuppetClassImporter instead of Environment.import_classes which is not available anymore

great, would you mind adding sending it a pull request?

thanks!

#2 - 11/27/2012 06:02 AM - Ohad Levy

- Target version set to 1.1

#3 - 11/27/2012 07:19 AM - David Schmitt

I will as soon as I have unencumbered 'net access.

#4 - 11/29/2012 07:37 PM - Drew Blessing

I tested this patch and can verify the fix works. I really want to make sure this ends up in 1.1. David, do you have time to submit the pull request? I'd be happy to work up these changes and submit. Thanks for catching this problem and providing a fix.

Please do! I hoped to come around to it, but live intervened.

#6 - 12/07/2012 04:50 AM - Daniel Lobato Garcia

Can confirm the patch works indeed. I can step up and do the pull request if needed.

#7 - 12/07/2012 04:59 AM - Daniel Lobato Garcia

Does [env, classes.to_sentence] need to be changed to .inspect ? .to_sentence looks much cleaner to me.

#8 - 12/07/2012 05:15 AM - Daniel Lobato Garcia
