Foreman - Feature #1995

Enable parameterized class support by default

12/04/2012 12:59 PM - Dominic Cleal

Pull request:			

Description

Parameterized class support could probably be enabled by default relatively safely, given the age of 2.6.5 (minimum version required) and would be less surprising for new Foreman users trying to use it. Else, we could test the Puppet version when loading the default settings.
