

Katello - Refactor #20078

Create a scoped_search service

06/21/2017 04:33 PM - Justin Sherrill

Status:	New	
Priority:	Normal	
Assignee:		
Category:	API	
Target version:	Katello Backlog	
Branch:		Pull request:
Difficulty:	easy	Fixed in Releases:
Triaged:		Found in Releases:
Bugzilla link:		Red Hat JIRA:
Description our api_controller scoped_search method is unruly. Breaking it out into a service should reduce the complexity.
