#2 - 01/07/2013 05:42 PM - Sam Kottler

- Category set to Organizations and Locations

- Assignee changed from Joseph Magen to Sam Kottler

#3 - 01/10/2013 07:55 AM - Ohad Levy

- Assignee changed from Sam Kottler to Joseph Magen

this should actually be resolved by joseph work as well, in cases where there are errors, the user should fix the errors (via the conflicting reports) so these errors would not happen in the first place.
