Description

When being in one context, I am still
able to see facts, reports or audits from hosts of other contexts.

History

- Status changed from New to Feedback

@Romain, can you explain what you mean by "context"? Is this related to location and organization support?

#2 - 12/07/2012 08:32 AM - Romain Vrignaud

@sam: yes sorry. context was as in for location and / or organization context.

#3 - 12/07/2012 08:32 AM - Romain Vrignaud
