Description	
Reported in https://github.com/foreman/foreman/pull/283	
<pre>\$ rake /home/olevy/.gem/ruby/1.9.1/gems/mocha-0.12.7/lib/mocha/integration/mini_test.rb:56:in `<class: TestCase>': No Mocha monkey-patch for MiniTest version (RuntimeError) from...</pre>	
Using Mocha 0.12.7 and minitest 4.x. Pinning minitest to 3.5.0 worked around the problem.

Associated revisions

Revision 56863445 - 12/24/2012 03:58 AM - Dominic Cleal

fixes #2063 - pin minitest to 3.5+ and mocha 0.12.x

Mocha 0.13.x and minitest 4.x will require Rails 3.2.

History

#1 - 12/20/2012 07:28 AM - Dominic Cleal

Trying to use the latest versions (mocha 0.13.x, minitest 4.x) fails due to an incompatibility with ActiveSupport 3.0, we'll need to wait for Rails 3.2 to update these libs.
