

## Foreman - Bug #20991

### Assigning specific host to newly created org/loc does not work

09/19/2017 02:55 AM - Marek Hulán

<b>Status:</b> New	
<b>Priority:</b> Normal	
<b>Assignee:</b> Rahul Bajaj	
<b>Category:</b> Organizations and Locations	
<b>Target version:</b>	
<b>Difficulty:</b> easy	<b>Fixed in Releases:</b>
<b>Triaged:</b> No	<b>Found in Releases:</b>
<b>Bugzilla link:</b>	<b>Red Hat JIRA:</b>
<b>Pull request:</b>	
<b>Description</b> Reproducing steps: <ol style="list-style-type: none"><li>1. have at least one host without any org/loc (update from console, register through puppet)</li><li>2. create new location</li><li>3. in step 2 select you want to choose "Manually assign"</li><li>4. click some host, clicking the green "Assign to Location"</li></ol> <p>The button does nothing, form is not submitted. It seems the submit is part of a wrong &lt;form&gt;. Also the button should not be green, it should be blue.</p>

Rahul, answering here since you were already offline. I think this is still valid issue, the host can be unassigned to any org/loc, e.g. if it's created from facts or report upload. Whether it's right or wrong is a different question, but given there's still a way to create such host, we should fix it.
